

Under the union, you will pay a **minimum** of 1.15% of your stipend to the United Auto Workers. Or 0.9775% in “fair share” fees.

*In the case that the strike fund is “full” (contains >\$500 million), this 30% will be redistributed: 15% to the strike fund, 10% to the local union, and 5% to the national union.
