

# Graduate Students Against Unionization

**VOTE NO MARCH 19-22**

[www.atwhatcost-mn.org](http://www.atwhatcost-mn.org)

\*This is in the case that the strike fund is full, which it currently is. If the strike fund is not full, **38% goes to the local union**, 32% goes to the national union UAW, and 30% goes to the strike fund.

**With a union, you will pay \$200-\$300/year in dues**

**Best Case Scenario: only 48% stays local**
